Wings Financial and Carvana partnership grows with Carvana's Minnesota debut

Wings is the first credit union partner in the state

APPLE VALLEY, Minn. (Feb. 11, 2020) — Wings Financial Credit Union, Minnesota's largest credit union, is excited to announce that our partner, Carvana, has launched in Minnesota with as-soon-as-next-day vehicle delivery to area residents. Since 2019, Wings Financial is the first – and only – credit union partner of Carvana's in Minnesota.

"Wings is a proud partner of Carvana, and we welcome them to Minnesota," said Norm Creveling, Chief Lending Officer for Wings Financial. "This partnership provides our members a simple, affordable option for buying and selling used vehicles online – adding to our commitment to provide the service and tools to handle all their loan needs seamlessly."

How Carvana Works

Carvana, the fastest-growing auto retailer in the U.S., saves customers valuable time and money with The New Way to Buy a Car™ by allowing them to skip the dealership and shop online at carvana.com/wingsfinancial. All 15,000+ vehicles in Carvana's national inventory are photographed in 360 degrees, so customers get a high-definition virtual tour, along with the peace of mind of a 7-day return policy. This upgrade to the traditional test drive gives customers the time to ensure their vehicle fits their life; customers can install the car seats or see how it handles on a snow day.

Every Carvana vehicle is Carvana Certified, meaning it has undergone a rigorous 150-point inspection, has no frame damage and has never been in a reported accident. Features, imperfections and updated information about open safety recalls are listed on the car's vehicle description page.

In addition, customers looking to trade in their vehicle, or sell a vehicle, can also skip the dealership by simply entering their VIN or plate number on carvana.com/wingsfinancial, answer a few questions and Carvana can pick up the vehicle and bring them a check, as soon as the next day.
